

Screen/computer stand Mercedes

Zirkona Seat Holder

Zirkona Hook

Zirkona Hook

The modern mobile office

With Zirkona Sweden computer stand upgraded service vehicle easily into a mobile office with focus on flexibility, safety and ergonomics. The stands are available as ready-made solutions but also in the component system Zirkona Joiner Systems where solutions are put together based on each unique need.

Based on each vehicle's model conditions attached to the frames to create the best possible workplace. Zirkonas products attach both laptops screens and the unique flexibility makes the stands easy to quickly adapt to each driver.
